

## Alps trilogy – the most famous and highest peaks in the Alps

Climb the highest and most famous mountains in the french and swiss Alps with your privat Guide and individuell program.

Based in Switzerland, we have the best network and the best guides to realize this great dream. Starting in Chamonix-Montblanc with the highest one, the Montblanc, continue to Zermatt with the Matterhorn and finishing with the narrow ridge, the Eiger-Mitteleggi-ridge, to the summit of the impressive north face.

Chamonix is very close to the airport of Geneva, and from Grindelwald / Interlaken are excellent train connections to Zürich or back to Geneva after your successful trip!
